

# Pro-Pack<sup>®</sup>

**DON'T GET  
CAUGHT  
SHORT!**

Three of Unasco's top quality thread sealing tapes are now available in a convenient economy pack. Cut down on trips to and from the van! Spend more time on the job.

Maximum density Unasco Pink Plumber's Tape provides an impenetrable barrier to hot and cold water, steam and industrial liquids and gases.

12mm x 36m x 0.076mm  
0.5" x 1429" x 0.003"

Maximum density Unasco Yellow Gas Seal Tape provides leak free joints on gas and petroleum lines. Certified by gas authorities around the world, Unasco Yellow Gas Seal Tape is the industry standard.

12mm x 30m x 0.1mm  
0.5" x 1181" x 0.004"

Just because it's white, don't confuse 'Eureka Pro-Grade' tape with the cheap, thin, flimsy thread sealing tapes that plague the market. 'Eureka Pro-Grade' is much denser and can handle most of the sealing jobs faced by the professional plumber.

12mm x 36m x 0.076mm  
0.5" x 1429" x 0.003"
